MEMORANDUM FOR: [REDACTED]

SUBJECT: Procurement of Spares

1. I have thoroughly reviewed the attached proposal submitted by Burt Miller. The attached list of spares represents an agreement reached between [REDACTED] and members of Burt's organization during the latter part of October. It represents the best estimate available at this time as to our spares requirements based upon the engineering capabilities and test experience of Dr. Miller's people and the logistics requirements based upon our supply system and pipe line times.

25X1A

2. I recommend that approval be given to the attached statement of work and its enclosures in order that spares may be procured at the earliest date.

[REDACTED]
